

YOUR COMMUNITY IMPACT

In 2022, United Way Community Partners impacted over 78,000 lives across the Concho Valley. Individuals and families are better equipped to live life to their fullest potential because of the generosity of United Way donors and volunteers. United Way Community Partners create opportunities for families and individuals to thrive across our 14-county region. The map below shows how many people in each county were impacted by United Way Community Partners in 2022:

*Numbers include individuals who possibly received services from multiple Community Partners
